Dear George:

Discussions with Jim have indicated that you are willing to permit \$80,000 to be withdrawn from HF-B-5111B. We also learned that you would prefer to retain the present ceiling and target price at this time for reasons of negotiation. In order to most expeditiously effect this withdrawal of funds it is requested that a letter signed by the person who signed the contract or some other duly authorized representative of the contractor be forwarded to the Contracting Officer indicating this withdrawal of funds is acceptable to you.

We appreciate your cooperation in this matter.

Very truly yours,

Dan
